Sew A Story

BY JENNIFER LONG

Biography

Hello, my name is Jennifer Long and I am a Riley Blake Designs Fabric Designer, Quilt & Doll Pattern Writer, Machine Embroidery Digitizer and online educator. I am also the Pattern Quality Assurance Manager at Riley Blake Designs #dreamjob.

My mission in my business is to inspire generations to sew together, foster an early love for handmade and bring Early Childhood Education to fabric, quilts and crafts!

I am married and a mom to (4) pre-teens / teens living on a little hobby farm on the Canadian prairies. I grew up training to be a professional ballet dancer, and later studied Early Childhood Education and costume design.

I am passionate about all things FABRIC, imagination and design and am so blessed I can share this passion with others.

This journey has inspired me to make a positive difference by designing dolls, quilt patterns and fabric for others to be EMPOWERED to sew themselves!

I have designed dolls and quilts for individuals, organizations, companies, designers, authors of children's books, and International companies for mass production.

What I LOVE the most about creativity, is finding INSPIRATION everywhere and in turn, INSPIRING others to do the same! Join me as we sew together fun, whimsical and educational designs with top of the industry pattern standards. Thank you from my heart for the blessings of sharing our passion together!
